Sunday Coffee

We are serving our church family coffee before church each week. Until the completion of our new kitchen, coffee will be served on the back counter. We will resume the coffee sign up after the renovation is complete.

Family Ministry Director

Kirk of the Keys is searching for a part-time Family Ministry Director. If it sounds like something that you may be interested in, please email admin@kirkofthekeys.org or go to our website at kirkofthekeys.org!

Presbyterian Women's Association (PWA) is women of the church coming together as a group. Behind the scenes, they are involved in many aspects of the church, sponsoring brunches, raising funds for scholarships of our graduating seniors, along with supporting the church in things such as replacing church pew upholstery, only one of the many things done to improve the appearance and comfort of the church. Meetings are held the 2nd Tuesday of the month in our fellowship hall and all women are invited!

PRAYER

Please join us for prayer on Mondays at 8:30am, you can come to the Kirk or join by zoom, the link is on the website.

NEWS AROUND KIRK . . .

If you have anything to share, please email to kirkofthekeys@gmail.com!

Pictures, birth announcements, good news and prayer requests are all welcome and encouraged! We hope this becomes a communication tool in keeping our year-round members as well as our winter members connected and informed!

Kitchen Renovation Update!!

Walls are painted and the tile for the backsplash has been picked out. We passed our electrical inspection, waiting on our rough in plumbing inspection. Lynn is working on putting the mesh up for the stucco to be done on the bump out for the outside!

We are moving along!!!

Our mission at Kirk is “to make it simple for people to connect to Jesus and one another by being in, of, and for the Keys”. What a better way to do this than to feed the Marathon High School Football Team before their home games?! Carl Bish organizes this for the kids with help from Kirk members and the support of the PWA! What a tremendous blessing to be able to serve the kids and coaches in our community!
